

100% Waterproof Notice Cases

POPStar
Point Of Purchase
Displays and Stands

The ideal information display case for all outdoor areas. Unique waterproof design ... can be used Portrait or Landscape.

The frame is a satin silver finish aluminium with a 70mm face and a depth of 50mm.

Each case has a wonderful attention to detail ... the corners have a matching roundline moulded nylon corner piece. Background is full thickness premium Bulletin-board cork (6mm)

Each case is fully lockable with lock and key (x2). The door is impact resistant polycarbonate.

The back of each case has a fully galvanised finish to ensure that the case is non rusting and completely water tight.

Applications may include :

Parks & reserves, car parks, community information, body corporate, marine notification, shopping malls. churches, schools, colleges, hotel gymnasium and pool areas ... to name a few.

Free Standing option ...

Often wall space can be limited ... so by adding legs to our Waterproof Case ... a whole new range of options is now available.
