

Easy Rail Meeting Room Solutions

Space ... in modern office design is always at a premium. That's why Parrot has designed Easy Rail.

A wall mounted aluminium rail that allows you to 'hang' and then slide all your meeting room requirements...

Whiteboards, Projection screens, Flipchart .. even AV storage shelves. Easy Rail can be cut to size .. with a maximum length in 1 piece of 5 mts. And every length of Easy Rail has a bonus paper gripper .. ideal for hanging Flip-chart Pads or marketing material

Any Parrot whiteboard, noticeboard, corkboard or deluxe planner—up to 1500x1200mm can be fitted onto Easy Rail All you need is 1 set of brackets.

If you need 1 board to pass over the face of another board .. simply order a Set of Long Brackets
