

Retractable Belt Systems

Stylish and efficient ...

Stylish, modern and *very* efficient.

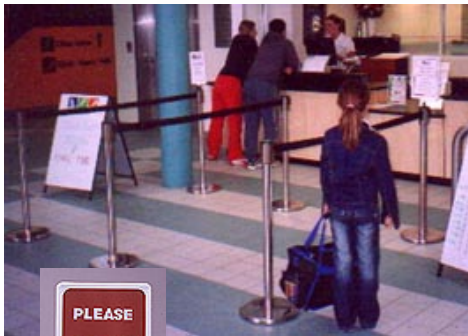

Retracta Q features a 2 metre retractable black belt that clicks onto the next stand.

Ideal for all public areas where queuing is important to the efficient flow of people

Some applications include : ticketing counters, sports arenas, self serve bistros ...

In fact anywhere ... where the safety and control of large numbers of people is involved.

- * Each stand has a 4 way top for maximum flexibility
- * Belts simply 'click' into place
- * Overall height is 1000mm
- * Base is 330mm
- * Pole diameter is 50mm
- * 9 kg weighted base
- * Flat packed for easy assembly

A4 Sign Insert. Moulded plastic frame (white) with a metal clamp that screws into the top of each stand. Supplied with clear PVC sleeve. Sign is extra

Also available ...

- * Safety Barriers
- * Executive barriers stands with rope
- * 'Little Buddy' stands (shown below)
