# IT + CHAIRS

 THERAPOD  
SYSTEM

IT +

TASK AND DRAFTING

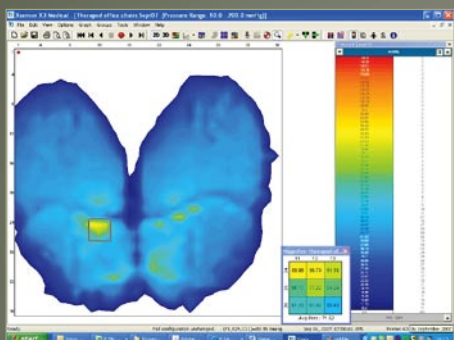

## A. (27-OBIT04)

IT + High Back task chair rated for extended use, and featuring unique Comfort Plus seat cushion (large size).

Features include:

- Comfort Plus seat cushion
- 130kg user weight rating
- 7 year warranty
- Ratchet back-height adjustment

Comfort Plus seat cushion has been independently pressure-mapped and found to be highly effective at reducing pressure beneath the 'sitting bones' at the base of the pelvis.

The full test report can be found at [www.therapod.com.au](http://www.therapod.com.au)

## B. (27-OBIT02)

IT + Medium Back task chair rated for extended use, and featuring unique Comfort Plus seat cushion (medium size).

Features include:

- Comfort Plus seat cushion
- 100kg user weight rating
- 5 year warranty
- Ratchet back-height adjustment

## C. Optional Drafting model
