

Filing Cabinets

INSULATION

Insulated with reinforced gypsum that is low temperature oven dried to reduce free moisture to less than half a percent. An insulated bulkhead between each drawer provides additional protection.

LOCKING

The top control drawer is fitted with a Medeco high security UL listed key lock, which is resistant to picking and drilling. The 22 Series is fitted with a four pin key lock. The control drawer can be used to lock all drawers or any lower drawer can be locked individually by activating the by-pass catch on the side of the drawer.

FINISH

Electrostatic powder coating up to 3 times thicker than conventional painted files is applied to the body and drawers. Standard colour for all Models, excluding 22 Series is Platinum. The 22 Series File standard colour is Parchment.

MEDIA VAULT

The compact stand alone Media Vault is designed to protect your electronic records from heat, humidity, dust and magnetic fields. It's the only media safe of its size to carry the Underwriter's Laboratories Class 125 1 hour rating for insulated record protection equipment.

FIRE RATING

Independently tested to the most stringent International standards. All files will survive a loaded fall of 10 metres and maintain fire protection. Steel lattice reinforcement offers this impact protection on all six sides. UL Class 350 (USA) – 1 hour fire endurance and impact test. VDMAS60P (European standard) – 1 hour fire endurance and impact test.

WARRANTY – If a mechanical or operable part of a FireKing Filing Cabinet malfunctions or breaks down during normal use we will, at our option replace such part free for as long as the original purchaser owns the product. Free Replacement Guarantee. If a FireKing file sustains any damage while protecting records from a fire we will replace it free of charge. Replacement of parts or cabinets excludes labour, delivery and installation charges.

In line with our policy to provide the best in security, we reserve the right to incorporate any improvements or alter any part of the specification without prior notice.
