BLINC

design by Wendy Lui & Alex Chai

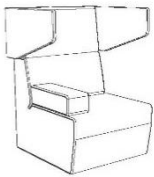

BlinC is a module based soft seating system designed for commercial, public and hotel reception use. The product line consists of 5 simple elements allowing for multiple configurations. BlinC is smooth and elegant in appearance with a solid wood structure inside a luxuriously upholstered soft exterior that provides support even during long periods of sitting.

BLINC

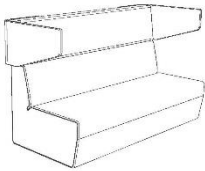

- A – Floor levelling feet
- B – High back cushion
- C – Side blinkers (Removable)
- D – Scatter arm
- E – Commercial wood frame
