

## **Key Points of Local Over Imported Filing Cabinets**

(Various between imported products)

- Often heavier gauge metal used in local products.
- Anti - Tilt drawer locking system.
- Longer warranty (Lifetime).
- Quality of drawer runner system.
- Local lock company (easy key replacement).
- Ongoing service and availability of parts.
- Australian made - support local industry or suffer the long term consequences.
- Larger colour options.
- Repeat orders in the same colour.
- Statewide use galvanised steel - Zinccaneal (as in car bodies) not cold rolled raw steel as in imported cabinets.
