Step Modular Seating

Generate prominent signature areas with **Step Modular Seating**.

Whether it be a Reception area, Library, or Public Waiting area, **Step**

Modular Seating redefines seating possibilities with contemporary

design, ergonomics, quality performance and durability. **Step Modular**

Seating is designed to enhance any environment, with endless layout

opportunities, whilst maintaining elegance and functionality. The

unique cantilevered seat design creates an easy-clean seat that has

extraordinary value in the Aged Care and Hospitality industries.

Available ex stock in Cream and Cocoa Brown natural leather finish.
