adhesive strips

Vertiplan strips are used with the VERTICAL PLAN CABINET, and the VERTIMINOR. Adhesive strips are made from a strong mylar film. They are available in standard or heavy duty films to hold plans in laminated media. Adhesive strips are available in 'cut to size' or continuous rolls, up to 100 meters in length.

PRE-CUT SIZES THAT ARE AVAILABLE INCLUDE: A0, A1, A2, A3, A4, AND B1 FORMATS.

dividers

Divide your plans into "sub-sections" with handy index tags.

pockets

Vertiplan offers a range of plastic pockets to store sensitive plans in a protective manner. Pockets will fit directly into PLAN CABINETS or VERTIMINOR, without the need to use strips.

SIZES THAT ARE AVAILABLE INCLUDE: A0, A1, A2, A3, A4, AND B1 FORMATS.

strips, dividers and pockets

Easy application!

Need adhesive strips, dividers or plastic pockets for your plans? Ask your dealer for more information.

To attach a strip to your plan, simply peel back the adhesive strip...

attach to the top of your plan, press down and... your plan is ready to hang in your cabinet!
