## >> PLATINUM

An innovative chair that perfectly meets office and work requirements. A new type of chair with great seating comfort especially designed for conferences, meetings, executive and front office desks.

Platinum's armrests display a sophisticated and practical design offering great seating comfort. The Platinum features upholstered leather facings ribbed with Intervals which are combined to display a clean, refined appearance and a luxurious touch. It features two piece seat and back upholstery and is stretched tautly between its steel frame to create a firm and flexible sitting pocket that subtly conforms to the individual's body shape. Its strong reinforced metal frame has curved sides, a polished chrome plated finish and is lightweight hence it is easy to move.

Engineered to perfection its Italian knee tilt mechanism enables the user to comfortably recline back and to lock in its desirable position. The Gas lift adjusts the height of the chair to suit the users requirements.

The Platinum offers a comfortable matching arm chair and further reinforces the fact that the Platinum is a premium choice.
