Functional & modern – Fast

Whether you need everyday furniture or modern inspirational furniture to transform your office, our carefully selected **Tables Plus** range will provide you with your ultimate table solution. The **Tables Plus** range is available for fast **quick-ship** delivery Australia.

Specially for you

Tables Plus is **designed for Australian Conditions** and supports all aspects of your business. Lunch rooms, Boardroom Tables, Training and Planning areas your needs can be met in every situation.

Built to last

Work surfaces are subject to a high degree of wear in offices, so all **Tables Plus** furniture is constructed from melamine faced furniture grade particleboard. Melamine is one of the **most durable** conventional furniture surfaces available.

Durability of the edging rates next in importance to the surface material. Our experience leads us to use Solid ABS hard-edge which is **permanently bonded** to all exposed edges. Hard-edging is **impact resistant** and provides an almost seamless wood grain appearance.

Good Wood

We are a responsible corporate citizen that is concerned about caring for the environment in which we live and work. To meet increasing demand for even more environmentally friendly building products, we also have an ultra-low emission EO board available on request. EO board is recognised by ECO Specifier and is suitable for use in all Green Star Rated buildings to enhance the overall environmental performance ratings.

95% of the timber substrate used in our furniture is obtained from sustainable forests, 70% from FSC certified forest plantations and includes 75% pre-consumer recycled content & 10% postconsumer recycled content. Our melamine panels have a high **'E1' Grade** rating and, of course, conform to the Australian LFE Emission Standard. Panels meet World Health Organisation (WHO) requirements as a non-toxic material and are recyclable – in short **eco-friendly!**

You know you are **buying responsibly** when you see the Good Wood mark.

Peace of mind – Guaranteed

All **Tables Plus** furniture is guaranteed against faulty parts and workmanship for 5 years of normal use (8 hours/day). As common sense dictates, we make it a condition that you use your furniture for the purpose it was designed for.
